

The background is a dense, repeating pattern of tropical leaves. The leaves are rendered in various shades of dark blue and navy, with some highlights in a lighter, vibrant blue. The leaves include large, heart-shaped monstera leaves with characteristic holes, and several palm fronds with long, narrow leaflets. The overall effect is a lush, jungle-like texture.

BUCERIAS - NAYARIT

An Oasis For Ocean Experiences

Ocean

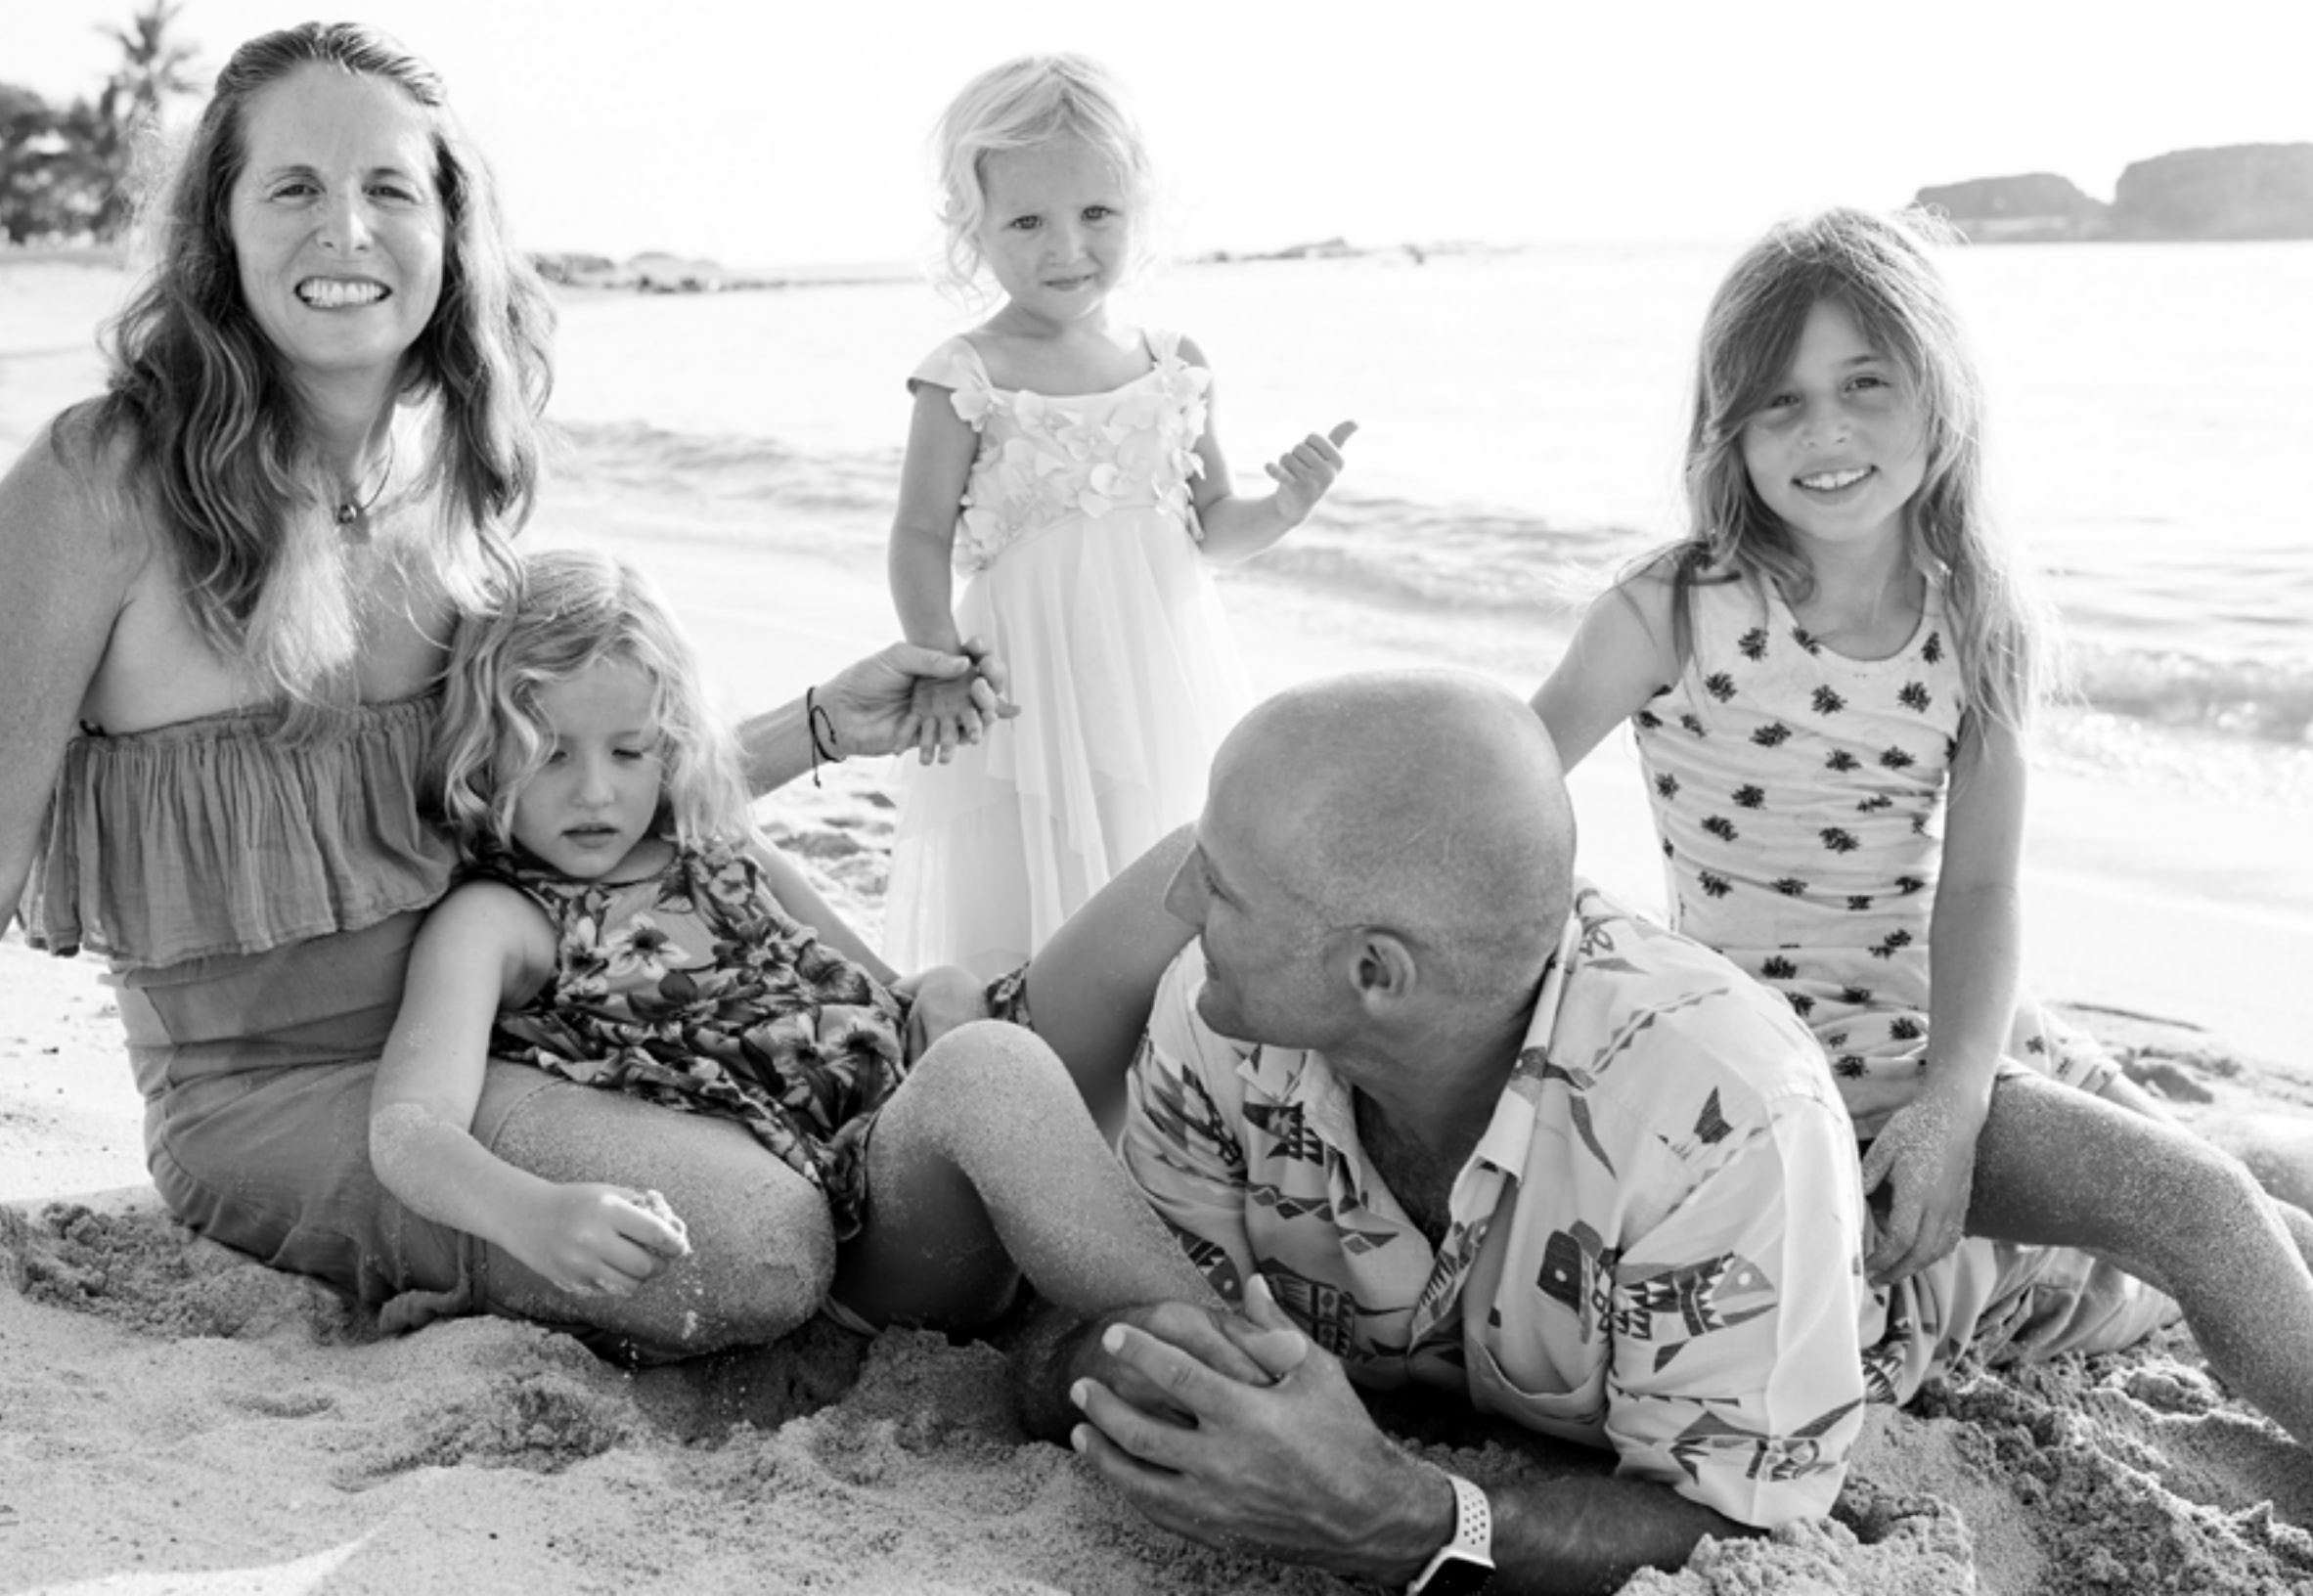

Life-Style

in Bucerías

Situated in **Bucerías**, Nayarit, one block from the **Pacific Ocean**, **Nereidas lofts** is a community designed for your active family and the way you live and play. Modern design and efficient spaces create a whole new experience for ocean lovers seeking new adventures.

Make **Nereidas** your home!

The Finer Ohana

The **Nereidas Lofts** is a **Finer Family** dream that was started when we moved in to the small house on the corner of Lazaro Cardenas and Abasolo **12 years ago**. The idea grew with our family, but we have remained true to this initial purpose - to further our families **Ocean Lifestyle**, while *creating a community* to help attract others with similar desires. Healthy active lifestyle, ocean sports, water safety, constant training and educational programs for kids.

Introducing the **Nereidas Lofts**, a project conceived with *passion!* **Built for our family, for your family!**

Mahalo! *Welcome!*

THE LOFTS

Ocean-views and functional layouts that push the boundaries of **comfort** and **design**, featuring inspiring work areas and green spaces with the *modern traveller* in mind.

AMBASSADORS OF THE SEA

Here at *Nereidas*, we wake up before the sun and spend our days paddling, surfing, and pushing the limits, just like you. We're a brand new style of **Condo / Hotel**, on an ultimate quest to preserve and protect the places we live in.

STONE CONTRACTORS®

When it comes to the construction of your home, there is no compromise in terms of quality. Which is why the team at STONE CONTRACTORS is the preferred team in the Punta Mita and Northern Bahia de Banderas region for handling every aspect of the building of your resort home, having established themselves as the leaders in luxury home construction.

Since **Stone Contractors** was established in 1999, they have completed luxury residences within the *Bahia de Banderas/Pacific Mexico region*, working closely with acclaimed architects, designers, landscape architects and artists to build the finest homes and villas found anywhere along Mexico's Pacific coast, or, arguably in the world.

The **Stone Contractors** team works closely with an extraordinary group of subcontractors, maestros and hand craftsmen who perfectly execute the most unique design elements and details in each one of their projects.

At **Silva Brisset Realtors** we specialize in Real Estate.

We are a full service **real estate** company offering: assistance, branding and marketing, sales and property management.

Our mission is to offer world class real estate products and services.

Our corporate offices are located in Marina Vallarta, Puerto Vallarta and our latest new real estate office is located in Guadalajara, in the hottest area in Andares, Zapopan.
